Voting by Proxy

Appointment of Proxy

Shareholders who are entitled to attend and vote at the Meeting, may appoint a proxy to act generally at the Meeting and to vote on their behalf. The proxy does not need to be a Shareholder.

A Shareholder that is entitled to cast two or more votes may appoint two proxies and should specify the proportion of votes each proxy is entitled to exercise. If a Shareholder appoints two proxies, each proxy may exercise half of the Shareholder's votes if no proportion or number of votes is specified.

Voting by proxy

A Shareholder can direct its proxy to vote for, against or abstain from voting on each resolution by marking the appropriate box in the Voting directions to your proxy section of the Proxy Form. If a proxy holder votes, they must cast all votes as directed. Any directed proxies that are not voted will automatically default to the Chairman, who must vote the proxies as directed.

If the Chairman is to act as your proxy in relation to Resolution 1 (Adoption of the Remuneration Report), Resolution 4 (Approval of Employee Incentive Plan), Resolutions 5 to 8 (Approval of the grant of Performance Rights to Mr Ian Murray and Mr Justin Osborne) or Resolution 9 (Change in Non-executive Director Remuneration), and you have not given directions on how to vote by completing the appropriate box in the voting directions to your proxy section of the Proxy Form, the Proxy Form expressly directs and authorises the Chairman to cast your votes "for" the relevant resolution. This express authorisation is included because without it the Chairman would be precluded from casting your votes as these resolutions are connected with the remuneration of Key Management Personnel.

The Chairman will vote all undirected proxies in respect of Resolutions 1 to 9 in favour of the relevant resolution.

If you are in any doubt as to how to vote, you should consult your professional adviser.

EXPLANATORY STATEMENT

This Explanatory Statement and all attachments are important documents. They should be read carefully. If you have any questions regarding the matters set out in this Explanatory Statement or the preceding Notice of Meeting, please contact the Company Secretary on +61 8 9200 1600, or consult your stockbroker or other professional adviser.

GENERAL INFORMATION

This Explanatory Statement has been prepared for the Shareholders in connection with the Annual General Meeting of the Company to be held on Friday, 17 November 2017.

The purpose of this Explanatory Statement is to provide Shareholders with information that the Board believes to be material to Shareholders in deciding whether or not to approve the resolutions detailed in the Notice of Meeting.

1. Discussion of Financial Statements and Reports

The Company's Financial Statements, the Directors' Declaration and the Independent Auditor's Report for the financial year ended 30 June 2017 (**Financial Reports**) are placed before the meeting thereby giving shareholders the opportunity to discuss those documents and to ask questions. The Company's auditor, KPMG, will be attending the Annual General Meeting and will be available to answer any questions relevant to the conduct of the audit and their report.

No vote will be taken on the Financial Reports. However, shareholders attending the Annual General Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Financial Reports.

2. Resolution 1: Adoption of Remuneration Report

The Annual Report for the financial year ended 30 June 2017 contains the Remuneration Report which:

- explains the Board's policies in relation to the nature and level of remuneration paid to Key Management Personnel of the Company;
- sets out the remuneration details for each Key Management Personnel; and
- sets out the details of any Share based compensation for each Key Management Personnel.

The Remuneration Report is contained within the Directors' Report in the Company's Annual Report and in the Annual Reports section of the website at www.goldroad.com.au.

Voting on the adoption of the Remuneration Report is for advisory purposes only and will not bind the Directors or the Company. The Chairman of the Meeting will allow reasonable opportunity for Shareholders to ask questions about, or comment on, the Remuneration Report at the Meeting.

The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a **spill resolution**) on whether the Board should be put up for re-election. If the spill resolution is passed, another meeting must be held within 90 days at which all of the Company's Directors (other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report must go up for re-election.

At the Company's 2016 Annual General Meeting, less than 25% of the votes cast on the resolution to adopt the 2016 Remuneration Report were voted against the resolution. Accordingly, regardless of the voting on Resolution 1, no spill resolution is required to be held at this Annual General Meeting.

The Board recommends that Shareholders vote in favour of Resolution 1.

GOLD ROAD RESOURCES LIMITED
EXPLANATORY STATEMENT

5. Resolution 4: Approval of Employee Incentive Plan

5.1 Background

The Gold Road Employee Incentive Plan was approved by Shareholders at the Annual General Meeting held on 19 October 2016 (**2016 Employee Incentive Plan**). The Board made some amendments to the 2016 Employee Incentive Plan on 12 September 2017. A summary of the key terms of the 2016 Employee Incentive Plan (as amended) (and referred to in this Notice of Meeting as the '**Employee Incentive Plan**') is set out in Appendix A to this Explanatory Statement.

The purpose of the Employee Incentive Plan is to put in place a mechanism allowing the Board, from time to time, to issue share Options and Performance Rights (together, **Incentives**) to eligible employees as an incentive or reward for achieving certain performance objectives. A key purpose of the amendments to the Employee Incentive Plan is to enable not only employees but also contractors and Non-executive Directors to participate in the Employee Incentive Plan. The Employee Incentive Plan provides the Company with another tool through which to attract, retain and reward key employees, contractors and Non-executive Directors and is considered a valuable tool to enhance their retention.

5.2 Purpose and effect of approval

(a) Exclusion from 15% limit under ASX Listing Rule 7.1

Under the Listing Rules, a company is not specifically required to seek shareholder approval for the Employee Incentive Plan. However, subject to the exceptions in Listing Rule 7.2, Listing Rule 7.1 prohibits a listed company from issuing or agreeing to issue equity securities (including shares, performance rights and options) equal to an amount of more than 15% of a company's ordinary capital in any 12 month period without shareholder approval.

Exception 9(b) of Listing Rule 7.2 permits securities issued under an employee incentive scheme such as the Employee Incentive Plan, to be excluded from the 15% limit where the Shareholders have approved the issue of securities under the employee incentive scheme within three years before the date they are issued.

Shareholder approval is therefore being sought for the issue of securities under the Employee Incentive Plan for the purposes of Exception 9(b) of Listing Rule 7.2.

If Resolution 4 is passed, all Incentives issued by the Company under the Employee Incentive Plan will be excluded from the 15% limit imposed by ASX Listing Rule 7.1 for a period of three years from the date of the approval (i.e. until 16 November 2020).

(b) Incentives on termination excluded from termination benefits cap

The Corporations Act restricts the benefits which can be given to individuals who hold a managerial or executive office (as defined in the Corporations Act) on cessation of their employment with the Company or its related bodies corporate (together, the **Group**). Under Section 200B of the Corporations Act, a company may only give a person a "benefit" (as defined in the Corporations Act) in connection with their ceasing to hold a managerial or executive office in the Group if it is approved by shareholders (in accordance with the requirements of Section 200E) or an exemption applies. A "benefit" includes automatic, or accelerated, vesting of share-based payments for a person on, or as a result of, retirement from office. Therefore, if the Board were to exercise its discretion under the rules of the Employee Incentive Plan and permit the early vesting of Incentives, this may crystallise a termination benefit for the purposes of the Corporations Act. Accordingly, Resolution 4 also seeks approval for the purpose of sections 200B and 200E, for any "termination benefit" that may be provided to a participant under the Employee Incentive Plan.

If Resolution 4 is passed, and the Board exercises its discretion to vest some or all of a participant's unvested Incentives when they leave employment with the Group, the value of the benefit will be disregarded when determining the relevant participant's cap for the purposes of calculating the permissible termination benefits payable under the Corporations Act.

As mentioned above, similar approval was granted by Shareholders at the Annual General Meeting in 2016.

5.3 Details of the termination benefits

Section 200E of the Corporations Act requires certain information to be provided to shareholders in approving a termination benefit. Whilst the value of the proposed termination benefits cannot currently be ascertained, the manner in which the value of the proposed termination benefit is calculated, and the matters, events and circumstances that will, or are likely to, affect the calculation of the value are outlined below.

GOLD ROAD RESOURCES LIMITED
EXPLANATORY STATEMENT

The Employee Incentive Plan provisions set out how unvested Incentives can be treated if an employee leaves the Company (in certain circumstances). For example, under the rules of the Employee Incentive Plan:

- where a participant resigns from their employment with the Company before their Incentives have vested, the Incentives will automatically lapse on the date of resignation. However, the Board may exercise its discretion to determine that some or all of the Incentives will vest, and the basis on which vesting will occur (which may include, without limitation, timing and conditions); or
- where a participant is made redundant or constructively dismissed by the Company, the Board may (in its absolute discretion) determine the number of unvested Incentives (if any) that will vest.
- As noted above, the exercise of these discretions may constitute a “benefit” for the purposes of the Corporation Act’s termination benefits provisions.

5.4 Value of the termination benefits

The value of the termination benefits that the Board may give under the Employee Incentive Plan cannot be determined in advance. This is because various matters will, or are likely to, affect that value. Specifically, the value of a particular benefit will depend on factors such as the Company’s Share price at the time of vesting and the number of Incentives that the Board decides to vest.

Some of the other factors that may affect the value of a particular participant’s termination benefits are as follows:

- the participant’s length of service and the portion of any relevant performance periods that have expired at the time they leave employment;
- the participant’s total fixed remuneration at the time grants are made under the Employee Incentive Plan and at the time they leave employment; and
- the number of unvested Incentives that the participant holds at the time they leave employment.

5.5 Previous Issues

No Incentives have been issued under the Employee Incentive Plan.

As at 15 September 2017, the number of securities issued under the 2016 Employee Incentive Plan since it was approved at the 2016 Annual General Meeting are:

Type	Number
Share Options	Nil
Performance Rights	2,151,385 of which 272,235 have expired or been cancelled and 306,038 have vested and converted to Shares.

Note: Performance Rights have no exercise price, however certain Executive Director Performance Rights do have vesting conditions linked to Company and market related performance hurdles.

5.6 Effect if Shareholder approval for Resolution 4 is not obtained

In the absence of Shareholder approval for Resolution 4:

- (a) Incentives can still be issued under the 2016 Employee Incentive Plan (i.e. the employee incentive plan as approved by Shareholders at the Annual General Meeting on 19 October 2016, without the amendments approved by the Board on 12 September 2017), and the issue of those Incentives will not be counted as part of the 15% limit under Listing Rule 7.1 until 18 October 2019. This is because the approval of the 2016 Employee Incentive Plan granted at the 2016 Annual General Meeting is effective until 18 October 2019; and
- (b) Incentives can be issued under the Employee Incentive Plan (i.e. the employee incentive plan approved at the Annual General Meeting on 19 October 2016, with the amendments approved by the Board on 12 September 2017) but the issue of those Incentives will be counted as part of the 15% limit under Listing Rule 7.1.

At the 2016 Annual General Meeting, Shareholders approved the grant of an aggregate maximum of 1,096,925 Performance Rights to Mr Ian Murray (or his nominee) and 565,573 Performance Rights to Mr Justin Osborne (or his nominee) pursuant to the 2016 Employee Incentive Plan. That approval will remain effective until 18 October 2019.

GOLD ROAD RESOURCES LIMITED
EXPLANATORY STATEMENT

5.7 Directors' Recommendation

The Board (excluding the Executive Directors who decline to make a recommendation based on their interest in the outcome of Resolution 4) recommends that Shareholders vote in favour of the approval of the Employee Incentive Plan.

6. Resolutions 5 to 8: Grant of Performance Rights to Mr Ian Murray and Mr Justin Osborne

6.1 Background

Mr Ian Murray is the Managing Director and Chief Executive Officer of the Company. Mr Justin Osborne is an Executive Director of the Company.

The Board is seeking Shareholder approval to grant Performance Rights to Messrs Murray and Osborne (or their nominees), in accordance with the terms and conditions of the Employee Incentive Plan.

Approval of the Employee Incentive Plan is sought under Resolution 4. The key terms and conditions of the Employee Incentive Plan are summarised in Appendix A and will apply to the Performance Rights that are proposed to be issued.

Each Performance Right represents a right to be issued a Share at a future point in time subject to the satisfaction of any conditions relating to vesting, performance hurdles and/or exercise.

Background to the 2020 Long Term Incentive (LTI) program (Resolutions 6 and 8)

Resolutions 6 and 8 seek Shareholder approval pursuant to Listing Rule 10.14 to grant up to:

- (a) 728,028 Performance Rights to Mr Ian Murray (or his nominee); and
 - (b) 374,826 Performance Rights to Mr Justin Osborne (or his nominee),
- (together, the **LTI Performance Rights**).

The Board has granted the LTI Performance Rights as part of Messrs Murray and Osborne's respective long term incentive portions of their remuneration packages. Eligibility to receive the LTI Performance Rights is dependent upon achieving future Company hurdles, which have been developed in support of the Company's strategic plan, and Shareholder Return hurdles.

The Company's remuneration policy for long term incentives is included in the 2017 Annual Report. The Company's remuneration policy is to ensure executive remuneration is competitive in retaining and motivating key executives. The granting of these LTI Performance Rights, which may only vest in three years' time, will provide a long term incentive for continued outstanding performance and the opportunity for share ownership.

The proposed grant of LTI Performance Rights seeks to further align their interests with those of Shareholders by linking their remuneration with the long term performance of the Company.

The key vesting condition is that Messrs Murray and Osborne must remain employed up and until the applicable test date of 31 December 2020, being a three year measurement period (**Measurement Period**).

The Performance Rights are also subject to two separate performance hurdles:

- (a) 50% of the Performance Rights will vest and convert into Shares over the Measurement Period based on the Company's Total Shareholder Return (**TSR**) compared to a nominated peer group over that same period (**Shareholder Return Hurdle**) as follows:
 - (i) 50% of the Shareholder Return Hurdle will only be achieved if the Company TSR is 100% of the nominated equal weighted peer group index;
 - (ii) if the TSR is greater than 100% relative to the nominated peer group index, the LTI achievement will be 50% plus the percentage which is outperformed against the nominated peer group, up to a maximum of 100% of the Shareholder Return Hurdle.
- (b) 50% of the Performance Rights will vest on achieving internal corporate hurdles to be met by 31 December 2020 (**Company Hurdle**). The corporate hurdles weighted equally, are as follows:
 - 1. the identification of at least 1 million ounces of contained gold, including:

The calculation framework used to determine the LTI Performance Rights to be granted is set out in Appendix B. This Appendix also sets out the value of the Performance Rights as at the date of grant. As detailed in Appendix A, Incentives granted under the Employee Incentive Plan may vest (subject to Board's absolute discretion) in the event of a change in control of the Company.

Background to the CY2017 STI program (Resolutions 5 and 7)

By Resolutions 5 and 7, the Company seeks Shareholder approval pursuant to Listing Rule 10.14 to grant up to a maximum of:

- (a) 272,181 Performance Rights to Mr Ian Murray (or his nominee); and
 - (b) 140,962 Performance Rights to Mr Justin Osborne (or his nominee),
- (together, the **2017 STI Performance Rights**).

The 2017 STI Plan is based on the following set percentage of base salary, with performance assessed against a mix of personal and corporate objectives over the one year period to 31 December 2017 (**STI Measurement Period**):

	Ian Murray Managing Director and Chief Executive Officer	Justin Osborne Executive Director
<i>STI as a percentage of base salary</i>	65%	42.5%
<i>Aligned to corporate KPI</i>	90%	90%
<i>Aligned to personal performance KPI</i>	10%	10%

The 2017 STI performance measures broadly include:

- Safety: Year on year improvement on safety targets. However, no 2017 STI is payable in the event of a fatality
- Discovery: a new discovery greater than 600,000 ounces JORC compliant Resource
- Reserve Growth: achieving threshold reserve growth, which for CY2017 is set at 10%
- Business Growth or Development: achieving Board set growth targets
- Gruyere Joint Venture: establish long-term strategic plan with joint venture partner and continued professional, mutually respectful relationship
- Native title and external stakeholder relations: continued professional relationship and compliance with agreements
- Personal KPIs: assessing Health, Safety and Environment performance, and contribution and demonstrated behaviours aligned to Gold Road's Values.

GOLD ROAD RESOURCES LIMITED
EXPLANATORY STATEMENT

For CY2017, if the Executive Directors achieve 100% of their Corporate and Personal KPIs, they could earn the following STI amounts:

Name	Target STI	50% Cash component	No. of Performance Rights ¹
Ian Murray	\$328,250	\$164,125	272,181
Justin Osborne	\$170,000	\$85,000	140,962

1 The number of CY2017 STI Performance Rights to be granted is determined by dividing the 50% of the target STI earned by 60.3 cents, being the higher of the Company's 30 day VWAP for the period to 1 January 2017 and the most recent capital raising price prior to 1 January 2017 (being the May 2016 share placement and entitlement issue at 44 cents).

6.2 Effect on the Company

The grant of the LTI Performance Rights and the 2017 STI Performance Rights (together, the **Executive Director Performance Rights**) to Messrs Murray and Osborne will have a diluting effect on the percentage interest of existing Shareholders' holdings. For instance, assuming all Executive Director Performance Rights are exercised, the Company's issued Shares would increase by 1,515,997 Shares to a total issued capital of 874,131,785 Shares¹ representing 0.17% of the then issued Shares in the Company.

There are no significant opportunity costs to the Company or benefits foregone by the Company in granting the Executive Director Performance Rights. No loan is provided by the Company to allow for exercise.

Australian International Financial Reporting Standards require the Executive Director Performance Rights to be expensed in accordance with *AASB 2 – Share Based Payments*. The Executive Director Performance Rights are expected to be expensed over the vesting period in which they are granted. Expensing the Executive Director Performance Rights will have the effect of increasing both the expenses and the contributed equity of the Company. There will be no impact on the net assets or the cash position or financial resources of the Company as a result of expensing the Executive Director Performance Rights.

There are no material tax implications for the Company in granting these Performance Rights.

6.3 Requirement for Shareholder approval

Approval for the grant of the Executive Director Performance Rights is sought for the purposes of ASX Listing Rule 10.14 and for all other purposes. Listing Rule 10.14 provides that the Company must not issue equity securities (including Performance Rights) under an employee incentive scheme to a Director of the Company without Shareholder approval.

Chapter 2E of the Corporations Act also requires shareholder approval where a public company seeks to give a "financial benefit" to a "related party" (unless an exception applies). A "related party" for the purposes of the Corporations Act is defined widely. It includes a director of a public company and specified members of the director's family. It also includes an entity over which a director maintains control. Directors such as Messrs Murray and Osborne are considered to be related parties within the meaning of the Corporations Act, and the Executive Director Performance Rights will constitute a financial benefit for the purposes of Chapter 2E of the Corporations Act.

An exception to the requirement to obtain shareholder approval in accordance with Chapter 2E applies where the financial benefit constitutes part of the related party's "reasonable remuneration". The Board (other than Messrs Murray and Osborne who were not able to make a recommendation due to their interests in the grant of Executive Director Performance Rights) considers that the grant of the Executive Director Performance Rights to Messrs Murray and Osborne, and any issue of Shares upon the exercise of those Executive Director Performance Rights, constitutes part of the reasonable remuneration of Messrs Murray and Osborne respectively. In reaching this conclusion, the Board has had regard to a variety of factors including market practice and the remuneration offered to persons in comparable positions at comparable companies

¹ As at 15 September 2017, the issued capital of the Company comprised 874,131,785 ordinary fully paid Shares, 3,500,000 unlisted share Options with various expiry dates and exercise prices and 3,475,194 Performance Rights with various expiry dates.

GOLD ROAD RESOURCES LIMITED

The grant of Executive Director Performance Rights (and Shares upon vesting of the Executive Director Performance Rights) to Messrs Murray and Osborne will not be included in calculating the Company's capacity to issue equity securities equivalent to 15% of the Company's ordinary securities, under Listing Rule 7.1.

6.6 Directors' recommendation

For the reasons set out above, the Non-executive Directors recommend that Shareholders vote in favour of Resolutions 5 to 8. The Executive Directors (being Messrs Murray and Osborne) decline to make a recommendation to Shareholders in relation to Resolutions 5 to 8 given their respective interests in the outcome of those resolutions.

7. Resolution 9 – Change to aggregate Non-executive Directors' Fees

7.1 Background

Resolution 9 has been proposed so that Shareholders can consider, and if thought fit, approve an increase to the maximum aggregate remuneration which is available to the Company to secure the services of its Non-executive Directors. ASX Listing Rule 10.17 and clauses 11.9(a)(ii) and 11.9(c) of the Company's Constitution provide that the Company must first obtain Shareholder approval before it is able to increase the total fees payable by the Company or its subsidiaries to its Non-executive Directors.

GOLD ROAD RESOURCES LIMITED
EXPLANATORY STATEMENT

At present, the maximum aggregate amount of fees which can be paid to the Company's Non-executive Directors is capped at \$500,000. This cap was approved by Shareholders at the Company's Annual General Meeting in November 2015. The Company has grown significantly since then, and is likely to continue to grow as exploration on the Yamarna Belt yields results, as the Gruyere project moves through construction to operation, and as the Company grows beyond the Yamarna Belt.

The Directors are seeking Shareholder approval to increase the upper limit on aggregate Non-executive Director remuneration by \$200,000 for the following reasons:

- the Company's Non-executive Directors have extensive skills and experience in a range of relevant industries that are important to the Company's growth;
- the appointment of the Non-executive Directors significantly enhances the independence of the Board; and
- the Board considers it important that the Company maintains the ability to remunerate competitively and attract and retain high calibre Non-executive Directors and that there is allowance for growth in the number of Non-executive Directors and non-executive remuneration in the future to reflect market competitiveness for Non-executive Directors with the skills and experience appropriate for the Company's business and growth path towards production.
- If Resolution 9 is approved, the Directors do not intend utilising the entire maximum sum of \$700,000 in the first instance. By having an increase in the maximum amount that can be paid to Non-executive Directors, the Directors have the flexibility to seek new independent Non-executive Directors to the Board as and when appropriate or to increase fees payable to existing Directors in line with market changes. There is currently no proposal to increase the current level of individual Non-executive Director fees for CY2017. Non-executive Director fees will continue to be benchmarked on an annual basis.
- The remuneration currently provided to each Non-executive Director of the Company for the financial year ended 30 June 2017 is detailed in the Remuneration Report (being the subject of Resolution 1).

7.2 Technical information required by Listing Rule 10.17

If Shareholders approve the proposed resolution, the maximum aggregate sum which can be paid to Non-executive Directors of the Company will increase by \$200,000 per annum, resulting in an increase in the upper limit of remuneration that can be paid to the Company's Non-executive Directors from the current level of \$500,000 to a new level of \$700,000 in any financial year.

The following table sets out details of all securities in the Company issued to a Non-executive Director after obtaining Shareholder approval under Listing Rule 10.11 or 10.14 during the past 3 years.

7.3 Directors' Recommendation

The Board (excluding Non-executive Directors Mr Tim Netscher, Ms Sharon Warburton and Mr Brian Levet who decline to make a recommendation based on their interest in the outcome of these Resolutions) recommends that Shareholders vote in favour of Resolution 9.

EXPLANATORY STATEMENT

Appendix A – Terms and Conditions of Employee Incentive Plan

A summary of the key terms of the Employee Incentive Plan is set out in the table below:

Eligibility	Under the Employee Incentive Plan, the Board may determine which employees, directors or contractors of the Company and its related bodies corporate are eligible to participate. The Employee Incentive Plan is targeted at the Company's directors, senior management, employees and contractors. Any proposal to issue Performance Rights or share Options to Directors under the Incentive Plan would require prior Shareholder approval under the related party provisions of the ASX Listing Rules.
Incentives	The Employee Incentive Plan allows the Board to grant Performance Rights and share Options (each an Incentive) to eligible participants.
Vesting conditions	The vesting terms for grants of Incentives under the Employee Incentive Plan will be decided by the Board. Where appropriate, the Board may impose appropriate performance hurdles to encourage employees to focus on performance of the Company over the long term. The Board may waive vesting conditions. The Board considers that issuing share Options with a premium exercise price, and on such terms that the share Options lapse on the cessation of employment, will ensure that benefits will only be received by recipients who continue to be employed by the Company. In the Board's view terms of that nature have a like effect to a vesting condition. Upon satisfaction of the vesting conditions, the Company may issue a vesting notice. An incentive will vest when that vesting notice is given or deemed to have been given to the incentive holder.
Number of Incentives to be granted	The number of Incentives granted under the Employee Incentive Plan will be decided by the Board. The Board notes that Performance Rights involve less risk to an employee than share Options, as they do not require the employee to pay any amounts to the Company upon exercise. As a result, where the Board decides to grant Performance Rights, an employee will typically receive fewer Performance Rights when compared with the number of share Options they would have otherwise received under the Incentive Plan or any other employee incentive plan.
Exercise Price	Performance Rights do not require the employee to pay any amount to the Company upon vesting or exercise. The Board may grant share Options under the Employee Incentive Plan. If elected, the exercise price of any share Options granted under the Incentive Plan is at the absolute discretion of the Board and the Board will determine the exercise price from time to time. Typically, any share Options granted would have an exercise price calculated by reference to a VWAP of the Company's shares for a period prior to the date of grant.
Takeover bid and change in control	Subject to the Board's absolute discretion, Incentives granted under the Employee Incentive Plan may vest in the event of a change in control of the Company, including where a takeover bid is made for the Company and the bidder acquires more than 50% of the Company, Shareholders approve a scheme of arrangement, or in any other case where a person obtains voting power in the Company which the Board determines (acting in good faith and in accordance with their fiduciary duties) is sufficient to control the composition of the Board. The Board has absolute discretion to determine the manner in which any or all of the Incentives vest, including having regard to the performance of the Company against targets in the vesting conditions at that time, the period of time that has elapsed between the grant date and the date of the change of control event and the circumstances of the change of control event. The Board also has the discretion to permit the exercise of Incentives in other limited circumstances, such as where a resolution is passed approving the disposal of the Company's main undertaking.
Transferability	Incentives granted under the Employee Incentive Plan are generally not transferable. An incentive invitation may contain disposal restrictions for a specified period of time.
Dividend and voting rights	Incentives granted under the Employee Incentive Plan do not carry any dividend or voting rights.
Adjustment for rights issues	The exercise price of Incentives granted under the Employee Incentive Plan (which is only applicable for share Options granted under the Employee Incentive Plan, which have an exercise price) will be adjusted in the manner provided by the ASX Listing Rules in the event of the Company conducting a rights issue prior to the lapse of that Incentive.
Board discretion	Under the terms of the Incentive Plan, the Board has absolute discretion to determine the exercise price, the expiry date and vesting conditions of any grants made under the Incentive Plan, without the requirement for further Shareholder approval. In circumstances where an eligible person ceases to be employed or engaged by the Company, the Board may decide that some or all of that person's incentives will not be forfeited. The Board may add forfeiture terms to a particular grant of incentive provided those terms are set out in the relevant incentive invitation.
Trust	The Board may establish an employee share trust for the purposes of the Employee Incentive Plan.
Copies of Incentive Plan	A copy of the full terms of the Employee Incentive Plan can be obtained by contacting the Company Secretary on +61 8 9200 1600 or via email at CoSec@goldroad.com.au.

The framework for the Company's Long Term Incentive Remuneration Policy is based on the following key principles which apply to the grant of long term incentives:

- The vesting of long term incentives will be subject to performance measured against long term internal Company hurdles and Shareholder return hurdles.
- Vesting will be measured at the end of a minimum three year period.
- Long term incentives are to be granted annually, and will be subject to a percentage threshold amount of base remuneration. The percentage threshold is to be reviewed at each grant, and determined based on market and peer group practice.

The Performance Rights to be granted to Messrs Murray and Osborne subject to Shareholder approval as set out in the Explanatory Statement is set out below:
